Inspiration Anchor, Artist, Author & Speaker

Unleash Your Creative Juices and Unveil Your HeART!

At the time when “creating reality” is on every lips, can we learn the artist’s secret that makes creating appear effortless, as if done by magic? Do you wonder how to play respectfully with the fire of your unique power? Do you seek to play a kinder game? Would you like to have fun improvising?

If so, during this presentation you will:

- Have an opportunity to open your heART.
- Witness LOVE interacting and creating beauty.
- Have a blast laughing, dancing, singing, BEEing!
- If you please, imagine no boundaries and choose to free your voice...

Available as a short talk, half-day, or full day seminar.

Rev. Dr Mahalene Louis is an Inspiration Anchor, a Futurist, an Artist, an Author and the President of Soulvision Axis, Inc., a company assisting the Leader, Officer, Visionary and Engineer in Self (or L.O.V.E. as the four primordial archetypes) to unleash their presence and awaken to their spirit by collaborating as One. She authored Books 1 to 5 of Healing the Collective Agenda; If it weren't for family, food, sex and money, I would do great on Earth!, as a result of 23 years plus dedicated primarily to the knowledge of the Self, through to the embodied study of languages, religions, creativity, fine arts, science and human development.
